

Jefferson Bands & Flag Booster Club (JBBC) Membership Form 2021-2022

We appreciate your participation in the JBBC. Your paid membership enables leadership and administrative positions that support ALL Band & Flag Programs throughout the year, including Wind Ensemble, Varsity Band, Concert Band, Symphonic Band, Jazz Big Band, Jazz Collective, Pep Band and Marching Band and Flags. Membership also provides the following opportunities:

- Be an active voting member
- Student participation in fundraising activities
- Build student escrow accounts with money earned from fundraiser participation.
- Access to Student Band Directory (useful for carpooling needs)

IMPORTANT INFORMATION: Please note - ANNUAL MEMBERSHIP in JBBC is required if students want to use individual escrow funds for their own benefit (i.e. band trips, instruments, etc.). All other fundraising activities without a JBBC MEMBERSHIP will go directly to the JBBC general fund to benefit the entire band program.

Given the many fundraising events throughout the year (JBBC Bandcake Breakfast, concerts, etc.), band families are also expected to support the band program through volunteer hours. Our fundraising events are made possible by the support of all families in the Band program. If a family cannot support the volunteer requirement, there is an option to opt out by making a one-time payment outlined below.

Volunteer Requirements*: One student: 10 adult hours/family Two or more students: 15 adult hours/family

All of the volunteer opportunities are listed on the JBBC website: www.jeffersonbandboosterclub.com. Please use the website to sign up for volunteer positions (listed under Volunteer tab) as they become available during the year.

***Volunteer hours will include time spent leading or participating in an event committee**
